Senior Library Assistant  
Supervising Principal Library  
Assistant/Translator

## Preamble

This directory was created by *Atlantic City Free Public Library* and funded by *Institute of Museum and Library Services*. We encourage you to use the online version of this publication you can find at <https://collaborationac.com>. The online version will be more up to date.

This project was created in the hopes that we can bring, and keep, our community together through the services and organizations that make our community great. As we have seen, the impact of the COVID-19 pandemic has left many community members isolated and resources underutilized.

This directory is alphabetized, as well as categorized, in order to easily find what you may be looking for. Please note that some organizations and services may appear more than once, as they may have multiple functions.

We did our best to include every organization willing to participate within the Greater Atlantic City area. If there is an organization or service that is not listed, please contact our library outreach coordinator in order to be registered. Registration is also open for organizations and services on our website at [collaborationac.com](https://collaborationac.com). Any organization within the Atlantic City area is welcome to register, as long as they are not discriminatory in nature and can provide members of the community a beneficial service.

Please direct any questions or inquiries about this directory to ACFPL Outreach Coordinator Kristen Reid-Ortiz at (609) 345-2269, ext. 3044, or email her at [kreid-ortiz@acfpl.org](mailto:kreid-ortiz@acfpl.org).

*This project was made possible in part by the Institute of Museum and Library Services FY2022 American Rescue Plan Application ARPML-250854-OMLS-22.*
